### Poster preparation

Each presenter will be allocated one numbered board. The maximum size allowed for your poster is:

90cm wide x 120cm high (portrait format)

This is the maximum size allowed for your poster

You must follow these directions – larger posters may not be displayed at the meeting!

The boards have a laminated surface. Double-sided adhesive for attaching your poster to the board will be available at the meeting.

Posters are usually more attractive when mounted onto a single background rather than being mounted on the board as several separate sheets.

The Organisers will provide the poster board numbers

You are invited to bring copies of your poster on A4 sheets to hand out to interested delegates.

### Poster print service

Our local agent, Studio 12, can arrange printing and delivery of your poster if required.

Price per poster (maximum size A0, portrait format, 841 x 1189.00 mm) is €45 including VAT (for posters received before 18 June) and €60 including VAT for posters received after 18 June. Absolute deadline for sending a poster to be printed is 24 June.

Posters may be collected from the poster desk (near the registration desk in the entrance area) during registration opening hours. It is the responsibility of the author to place the poster on the assigned board.

If you would like to use this service send the artwork for your poster as a high resolution PDF file by email to [ker@studio12.co.at](mailto:ker@studio12.co.at). Studio 12 declines any responsibility for quality issues if the document is not sent with the correct resolution.

Please note that ICCBH is not responsible for the provision of this service and any queries should be sent to Studio 12 directly.

## Organising your poster

### Authors

Who was involved, and their affiliations

### Introduction

A statement about the aims and objectives of the study

### Methods

A description of the methodology that you have adopted, including any assumptions

### Results

Consider adding a QR code enabling delegates to download your poster or contact you after the meeting. If you're not sure what this is [see here](#) for some ideas, or try Googling. It's a way of enabling delegates to contact you easily or to view additional information - you could even include a video of yourself describing your study!

## Formatting your poster

Keep fonts simple and use one or two different fonts only

Font size – your poster should be easily legible at a distance of 1.5 metres. We recommend the following minimum font sizes:

Title 84 pt

Authors/addresses 42 pt

Section Headings 30 pt

Text 24 pt

Keep use of colour to a minimum

Maintain a consistent style

Keep text to a minimum

Neutral colours work better as a back ground than bright colours

Make use of graphics where possible

Only include what is absolutely necessary

Do not overload tables and figures with information

Be selective when showing results

Check spelling

Above all, keep it simple

If you have any queries about these arrangements please contact the conference organiser:
