

SALZBURG CITY TOUR – MOZART AND MORE

For centuries, Salzburg was a proud state ruled by Archbishops. With their great wealth they coined the splendid architecture of the city. The many churches and the cathedrals are the reason why Salzburg is referred to as “Rome of the North”. It is also called “City of Music” because Wolfgang Amadeus Mozart was born here in 1756.

On this city tour, you can take in all the best of Salzburg. Leaving the Congress House you set foot into the **Mirabell Gardens** with its arrangement of flowers, the Dwarf Garden, and the Pegasus Fountain. Crossing the Gardens, you will walk by the **Salzburg Theater** and cross the river Salzach. Make sure to take pictures when on the bridge – it is one of the most exciting views on the panorama of Salzburg! Once in the Old Town (*Altstadt*), you need to be careful not to miss out on any of the sights. You get to see the **Getreidegasse** with the **birthplace of Mozart**. Among the picturesque streets and hidden byways of the Old City you will see the **Salzburg Dome Cathedral**, **St. Peter’s Monastery**, the **Residence Palace**, the **Festival Halls**, and the statue of **Mozart** on Mozart Square. Your tour guide will also tell you the story about the **Fortress Hohensalzburg** that towers over the city.

Indulge in the atmosphere of this small town that offers everything from mountains to culture, history and lifestyle!
