## Invitation to participate

It is with great pleasure that we invite you to participate in the 8th International Conference on Children's Bone Health, to be held in the beautiful city of Salzburg, Austria, from 22-25 June 2019.

The ICCBH meeting will offer a high quality scientific programme of interest to both clinical and basic scientists. We are expecting around 400 delegates from at least 45 countries to attend, many of whom will be key opinion leaders in their fields.

One of the attractions of this meeting (both for delegates and for sponsors) is its multidisciplinary nature, so it gives you the opportunity to talk to specialists from many different fields – paediatricians, endocrinologists, rheumatologists, nephrologists, nutritionists, orthopaedic surgeons and others.

Highlights will include the following:

- An exciting programme of invited speaker lectures featuring some of the world's leading experts in the field
- Company-supported satellite symposia highlighting some of the latest developments and research
- A busy exhibition area with lunch included in the delegate fee
- Well-attended poster sessions

We hope that you will be able to join us for what promises to be an exciting meeting and we look forward to seeing you in Salzburg!

## Introduction

The 9th International Conference on Children's Bone Health will be held 22-25 June 2019 in Salzburg, Germany. The aim of this Conference is to bring together upwards of 400 scientists and clinicians from a range of disciplines and from across the globe to gain a better understanding of the growing skeleton in health and disease.

The International Conference on Children's Bone Health (ICCBH) was started in 1999 by an international group of independent clinicians and researchers interested in bone metabolism and bone mass in children, adolescents, and young adults. Five conferences were organised successfully by members of the Organising Committee, the last being in Cambridge, UK, in 2009. Since 2011 the European Calcified Tissue Society manages the conferences on a professional basis on our behalf.

Previous meetings have been held as follows:

- June 2017** Würzburg, Germany
- June 2015** Salzburg, Austria
- June 2013** Rotterdam, Netherlands
- June 2009** Cambridge, UK
- June 2007** Montreal, Canada
- May 2005** Sorrento, Italy
- June 2002** Sheffield, UK
- May 1999** Maastricht, Netherlands

The 2017 meeting, held in Würzburg, Germany, was attended by over 400 delegates from all the corners of the globe. Disciplines represented included endocrinologists, rheumatologists, nephrologists, paediatricians, orthopaedic surgeons, nutritionists and radiologists.

### Some comments from previous attendees:

*"Outstanding quality"*

*"The best meeting I have ever been to!"*

*"Terrific program, great balance of clinical/basic science, fantastic mix of speakers"*

## Venue

We are proud to hold this conference in one of the most beautiful cities of Europe. Famous as the birthplace of Mozart, Salzburg is well known for its romantic scenery and rich cultural heritage. Situated in Central Europe, the city is easily accessible from every corner of the globe through the major European transportation hubs. The conference will be held in the Salzburg Congress Center, which was opened in 2001 and offers a versatile, modern and spacious venue, perfect in size and location for ICCBH.

## Attendees

Upwards of 400 delegates are expected and will include:

**Clinical Researchers**

**Nephrologists**

**Urologists**

**Basic Scientists**

**Haematologists**

**Nutritionists**

**Paediatricians**

**Gastroenterologists**

**Industry Representatives**

**Endocrinologists**

**Oncologists**

**Nurses**

**Rheumatologists**

**Orthopaedic Surgeons**

**Radiologists**

## Learning Objectives

On completion of the meeting programme, the participant will have an enhanced understanding of a contemporary approach to clinical and basic paediatric bone science as related to:

- **Inherited bone disorders**
- **Acquired bone disorders**
- **Bone therapeutics**
- **Bone diagnostics**
- **Fracture prevention**

## Continuing Medical Education (CME)

CME accreditation will be applied for through the European Accreditation Council for Continuing Medical Education (EACCME). EACCME credits are recognised by the American Medical Association (AMA).

## Terms & Conditions

### EXHIBITION

#### Amendments to exhibition layout

While every effort is made to preserve the published layout of the exhibition, the Organisers shall be entitled to vary the layout if this is in the general interest of the exhibition.

#### Build up

No one under the age of 16 will be permitted on the exhibition during build-up or dismantling.

#### Maximum stand height

The maximum height for any part of any stand will be 3.50m from the ground. Shell scheme stands are 2.00m high.

#### Disruption to other exhibits

The Organisers reserve the right to restrict exhibits, which, because of noise, method of operation, materials or any other reason, become objectionable to other exhibitors or to delegates. No microphones or loud speakers are to be used on the exhibition floor.

#### Give-aways and distribution of printed materials

Give-aways and printed material may only be distributed in the space rented by the exhibitor in the exhibition hall, in hospitality suites, or at satellite symposia. No such material may be distributed in any hotel used by the meeting. Product identification is permitted on give-aways. Contests, lotteries and raffles are subject to approval by the Organisers.

#### Disclaimer

The acceptance of a product or service for exhibition does not in any manner constitute an endorsement by the Organisers.

Each exhibitor and/or sponsor is responsible for the material and information they make available at the Meeting. Exhibitors and sponsors should only present material and information which has been approved by their legal departments and which is in compliance with the legislation of the host country of the Meeting.

It is the responsibility of exhibitors and sponsors to address these issues and any conflicts arising from such matters directly among themselves as the Organisers will not arbitrate in any way in legal issues of this nature.

It is also the responsibility of exhibitors and sponsors to familiarise themselves with and follow the International Pharmaceutical Congress Advisory Association's (IPCAA) Healthcare Congress Guidelines, the Code of Practice of the European Federation of Pharmaceutical Industries and Associations (EFPIA) and any guidelines operating in the host country.

#### Liability

The Organisers cannot accept responsibility for damage caused by an exhibitor nor for loss sustained by an exhibitor. Exhibitors or their agents must not damage or deface the exhibition facility or the booths and equipment of other exhibitors. When such damage occurs, the exhibitor is solely responsible and is liable to the owner of the property. Exhibitors must make provision for the safeguarding of their goods, materials, equipment, and displays at all times.

#### Security and insurance

The Organisers will not be held responsible for any loss or damage to exhibitors' goods and exhibitors are reminded that they should take out their own insurance to cover for this.

#### Health and Safety at Work Regulations

It is the responsibility of the exhibitor to ensure that his contractor, employees, displays and exhibits comply with the latest legislation regarding Health and Safety at Work regulations.

### SATELLITE SYMPOSIA

#### Content

The programme content of all satellites is subject to approval by the Organisers.

#### Faculty costs

Companies are responsible for the registration, travel and hotel costs of their chairmen and speakers.

#### Promotion

Satellite sessions will be listed in the programme and abstract books and one invitation may be inserted into the delegate bags.

In addition, companies are invited to advertise their satellite symposium by using stand-alone signage devices which can be displayed at the entrance to the main auditorium and in the registration area on the day of their session.

## Terms & Conditions – continued

### Reward

Satellite organisers may offer no material inducement or reward to delegates to attend the session.

Corporate branding of auditorium

The auditorium may be branded as required providing such arrangements can be made in the timescale afforded by the programme.

It is the responsibility of the company holding a satellite symposium to remove all branding immediately at the end of the satellite.

## GENERAL

### Payment

Mondial Congress will act as a partner on any sponsorship agreements. Financial handling will be managed by Mondial Congress.

Full payment of all invoices is required prior to the commencement of the Conference.
