

Monday 29 June 2020

08:15-08:45

Basic bone metabolic mechanisms 1

Antonella Forlino (Pavia, Italy)

08:45-09:15

Bone mineralisation and structure

Nadja Fratzl-Zelman (Vienna, Austria)

09:15-09:45

Submitted cases

09:45-10:15

The child with recurrent fractures

Craig Munns (Sydney, Australia)

10:15-10:45

Osteogenesis imperfecta types 1-5

Maira Cheung (London, UK)

COFFEE BREAK

11:15-11:45

Choice and interpretation of bone imaging

Wolfgang Högler (Linz, Austria)

11:45-12:15

Fibrous dysplasia

Alison Boyce (Bethesda, USA)

12:15-12:45

Submitted cases

LUNCH

14:00-14:30

Muscle-bone interaction, mobility & function

Maira Cheung (London, UK)

14:30-15:00

Duchenne muscular dystrophy

Leanne Ward (Ottawa, Canada)

14:45-15:15

Submitted cases

COFFEE BREAK

15:45-16:15

X-linked hypophosphatemia

Dieter Haffner (Hannover, Germany)

16:15-16:45

Nutritional rickets

Wolfgang Högler (Linz, Austria)

16:45-17:15

Submitted cases

DINNER

Tuesday 30 June 2020

08:15-08:45

Basic bone metabolic mechanisms 2

Antonella Forlino (Pavia, Italy)

08:45-09:15

Bone sample analysis and ultrastructure

Nadja Fratzl-Zelman (Vienna, Austria)

09:15-09:45

Submitted cases

09:45-10:15

Fibrodysplasia ossificans progressiva

Marelise Eekhoff (Amsterdam, The Netherlands)

10:15-10:45

Understanding genetic results

Frank Rauch (Montreal, Canada)

COFFEE BREAK

11:15-11:45

Anti-resorptive therapy

Leanne Ward (Ottawa, Canada)

11:45-12:15

Anabolic therapy

Alison Boyce (Bethesda, USA)

12:15-12:45

Submitted cases

LUNCH

14:00-14:30

How to set up a multidisciplinary clinic

Craig Munns (Sydney, Australia)

14:30-15:00

Hypophosphatasia

Wolfgang Högler (Linz, Austria)

14:45-15:15

Submitted cases

COFFEE BREAK

15:45-16:15

Chronic renal failure and bone

Dieter Haffner (Hannover, Germany)

16:15-16:45

Osteogenesis imperfecta type 6

Frank Rauch (Montreal, Canada)

16:45-17:15

Juvenile and adult Paget's disease

Marelise Eekhoff (Amsterdam, The Netherlands)

17:15-17:45

Submitted cases

DINNER

Wednesday 1 July 2020

08:15-08:45

Non-XLH hypophosphataemia

Dieter Haffner (Hannover, Germany)

08:45-09:15

Non-OI monogenetic forms of bone fragility

Frank Rauch (Montreal, Canada)

09:15-09:45

Submitted cases

09:45-10:15

Tumour-induced osteomalacia

Alison Boyce (Bethesda, USA)

10:15-10:45

Anorexia nervosa

Craig Munns (Sydney, Australia)

COFFEE BREAK

11:15-11:45

Osteopetrosis

Leanne Ward (Ottawa, Canada)

11:45-12:15

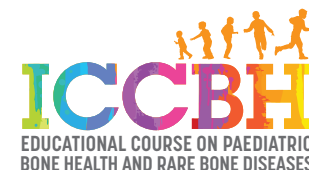

Achondroplasia

Maira Cheung (London, UK)

12:15-12:45

Submitted cases

LUNCH

ICCBH Bone School

29 June – 1 July 2020

St Virgil Conference Centre, Salzburg, Austria

Course organiser: Wolfgang Högler (Linz, Austria)

FACULTY

Alison Boyce

Paediatric Endocrinologist, National Institutes of Health, Bethesda, Maryland, USA

Maira Cheung

Paediatric Endocrinologist, Guys and St Thomas NHS Foundation Trust, Evelina London Hospital and St Thomas' Hospital, London, UK

Marelise Eekhoff

Endocrinologist, Amsterdam Bone Center and Rare Bone Disease Expert Center, Amsterdam University Medical Centers, Amsterdam, Netherlands

Antonella Forlino

Associate Professor of Biochemistry, University of Pavia, Italy

Nadja Fratzl-Zelman

Senior Research Associate, Ludwig Boltzmann Institute of Osteology, Vienna, Austria

Dieter Haffner

Professor and Chairman, Department of Pediatric Kidney, Liver and Metabolic Diseases Children's Hospital, Hannover Medical School, Hannover, Germany

Wolfgang Högler

Professor of Paediatrics, Johannes Kepler University Linz, Linz, Austria

Ciara McDonnell (Clinical Cases Coordinator)

Paediatric Endocrinologist, Children's University Hospital, Dublin, Ireland

Craig Munns

Professor of Paediatric Bone and Mineral Medicine, Children's Hospital, Westmead, Sydney, Australia

Frank Rauch

Professor of Pediatrics, McGill University and Paediatrician, Shriners Hospital for Children, Montreal, Canada

Leanne Ward

Professor of Pediatrics and Research Chair, University of Ottawa. Scientific Director, The Ottawa Pediatric Bone Health Research Group. Medical Director, The CHEO Pediatric Bone Health Clinic, Ottawa, Ontario, Canada
