Poster preparation
Each presenter will be allocated one numbered board. The maximum size allowed for your poster is:
A0 – 84.1cm wide x 118.9cm high (portrait format)
This is the maximum size allowed for your poster
You must follow these directions – larger posters will not fit the boards!

Fixing materials for attaching your poster to the board will be available at the meeting.

Posters are usually more attractive when mounted onto a single background rather than being mounted on the board as several separate sheets.

The Organisers will provide the poster board numbers
